To Serve With Love

### Wrexham University Student Voice Forum Meeting

# University of Cumbria Visit to Singapore

We were delighted to welcome representatives from our valued university partner, the University of Cumbria, to our Singapore campus on 10 November 2025. The visit was made by David McGregor, Head of Collaborative Provision, and Annie Brunt, Director of the International Office.

During their time on campus, David and Annie met with our management team to discuss key areas such as quality assurance, student support, and future opportunities for collaboration. The conversations were productive and reinforced our shared commitment to delivering an excellent academic experience.

A highlight of the visit was their engaging session with our MBA students. The discussion was lively and interactive, with students enthusiastically sharing their learning experiences, asking thoughtful questions, and exchanging ideas related to their studies and career aspirations.

The dynamic exchange demonstrated the strength of our partnership and the enthusiasm of our learner community.

Their visit further deepened the collaborative relationship between our institutions, and we look forward to continued growth and meaningful initiatives together.

# Wrexham University Student Voice Forum Meeting

**Wang Zhengyi, student representative from the Degree Programme**

**Qian Xiaoyu, student representative from the MBA Programme**

On 12<sup>th</sup> November 2025, the Wrexham University student representatives from the degree and MBA programmes met up with the faculty staff for the Student Voice Forum Meeting that is held once in every term to provide a platform for students to raise concerns, provide feedback, and influence decisions related to their academic and general university experience, ultimately aiming to improve the student experience. The meeting also welcomed the newly appointed degree and MBA student representatives.

A significant highlight of the meeting was the presentation of Certificate of Appreciation to Qian Xiaoyu, a student representative from the MBA programme as well as Wang Zhengyi and He Yucheng, who are the student representatives from the degree programme for their commitment and representing their fellow peers.

# Dine for a Cause – To Serve With Love

On 14 December 2025, SHRM College came together in a meaningful celebration of generosity and community spirit through our charity event, **Dine for a Cause – To Serve With Love**. The campus was filled with warmth, excitement, and purpose as students, staff, and guests participated in an unforgettable evening dedicated to giving back.

Alongside the charity dinner, a lively charity bazaar was held on campus. The response was tremendous, with our staff and students enthusiastically supporting the booths. Our staff played an essential role in bringing the bazaar to life.

The highlight of the event was the four-course charity dinner, thoughtfully prepared and beautifully served. Guests thoroughly enjoyed the dishes and the heartfelt ambiance, making the evening both memorable and meaningful. A special moment took place during the auction, where our Principal generously contributed two handmade pottery vases, personally crafted for the event, adding a unique and heartfelt touch to the occasion.

# Dine for a Cause – To Serve With Love

We are proud to share that the event successfully raised **\$11,047**, and the proceeds have been donated to **Nam Hong Welfare Service Society** to support their meaningful initiatives for the elderly in our community

A heartfelt thank you goes out to all staff and students who volunteered, dedicating their time and effort to make this event a success. We also extend our sincere appreciation to our corporate partners and business associates for their generous support and contributions.

Together, we proved once again that the SHRM spirit shines brightly when we come together to serve with love.

# Student Field Trip

26th November, students spent the afternoon discovering Chinatown's rich heritage sampling food, exploring the market, and curious about the Indian Temple.

The trip encourage students to appreciate Chinatown's cultural depth, sparking thoughtful conversations about history, identify, and community which is very different from where they came an educational and cultural experience.
